SPONSORSHIP
OPPORTUNITIES
2023

About The Parker Invitational at Pebble

2023 marks the 6th year for the Pro-Am that draws players from around the globe and raises funds for organizations in the bleeding disorder community. Senior pros from the United States, Australian Legends Tour, and around the globe will be competing for a \$50,000 USD purse, and their 3-person amateur teams will compete for prizes. A portion of each registration fee and sponsorship, as well as any funds raised during the Invitational, are donated to these non-profit organizations: Hemophilia Foundation of Southern California and Wingmen Foundation.

Our Charities

A portion of the proceeds will be donated to the below charities—this is very special to Perry Parker because he lives every day with Hemophilia A. His blood is deficient in Factor VIII so it does not clot properly and he has to infuse medicine to bring his clotting levels up to normal. Many children and adults in this community need help paying for their medical bills and attending summer camps and educational programs. Perry has a personal connection to these charities as the Hemophilia Foundation of Southern California is his family’s home chapter and he runs a national golf tournament for adults with bleeding disorders for the Wingmen Foundation.

About Perry Parker

Perry is currently a teaching Pro at Arroyo Trabuco Golf Club in Mission Viejo, California. He is also a national spokesperson and motivational speaker in the bleeding disorders community. This is a cause that means a great deal to Perry because he lives every day with Hemophilia A; his blood is deficient in Factor VIII so it does not clot properly. In order to bring his clotting levels up to normal, he has to infuse medicine. Perry is one of only a few people with Hemophilia to have ever played professional golf.

Residence: Laguna Niguel, California

Year Turned Pro: 1988

College: University of California at Irvine, double major Bachelor of Science degree in Economics and Political Science.

Collegiate Wins: 3
